BISHOP'S LENT APPEAL PAYMENTS

We are now receiving donations from various charges, so any monies not yet sent in, would be gratefully received. If you are paying by cheque, just a note for you – we have received a few already, made payable to “Bishop’s Lent Appeal” “Scottish Episcopal Church” and “SEC Diocese of Edinburgh”. We can usually get away with the last one, but the others are rejected by the bank. Could you therefore kindly make any cheques payable to “**Edinburgh Diocesan Synod**”? For those wishing to pay by BACS, please use A/c no. 00215170 and Sort code 60-01-73. The account name is the same as the cheque payee, above. Any reference that helps us identify it as the Lent Appeal will be fine. Please also include any Gift Aid that you are able to claim, as we cannot do that, once the payments reach here.

CCTV in churches

The Churches' Legislation Advisory Service (CLAS) highlighted a recent decision of the Commissary Court of Canterbury concerning a faulty application to install two CCTV cameras to enable the church to be left open during the day. The Commissary General, Morag Ellis QC, granted the faculty with two conditions:

- that the installation should ensure that any parts of the church set aside for private prayer and so forth are avoided from the scope of the lens and that the cameras should be switched off during services; and
- that there should be a suitable person responsible for the machinery and data held in it, for notice to be given of the use of the cameras and of the person to contact in the event of complaints or questions.

CLAS has drawn attention to the issue arising from the Surveillance Camera Code of Practice which tries to reconcile the need for security monitoring with the right to privacy but it is something that churches that are thinking about installing CCTV systems need to bear in mind. Please contact hrb@theheritagealliance.org.uk for further details.

Maintenance Grant

The National Churches Trust's Maintenance Grant Programme has been designed to help churches, chapels and meeting houses act on small, urgent repairs issues, perhaps identified in a recent QIR or condition report. It can awards grants of £500 to £3,000 towards projects under £10,000 including VAT. The deadline is 23 May for the next round.

GDPR

You will have received the advice now, from the General Synod Office. Inevitably, this produces extra questions, and the GSO will be gradually adding to their dedicated web page (<https://www.scotland.anglican.org/vestry-resources/general-information/data-protection/>)

We want to try and help as well, so we are gradually compiling an "FAQ" section, which will hopefully answer many of the basic questions we all have: <https://edinburgh.anglican.org/resources/diocesan-vestry-resources/diocesan-office-resources-vestries/>. There are also some useful links to pages such as "GDPR for Churches", which is a very good site.

AMAZING! INCREDIBLE! WOW!

What a BIG DAY we had last Saturday with over 500 people gathering at St Mary's Cathedral to celebrate the life of our Diocese. Many people have commented how it exceeded all expectations and the atmosphere of joy and togetherness created an extraordinary buzz throughout the whole event.

A huge **THANK YOU** to all those involved with creating, setting up and running the fantastic stalls we had all around the building; each one a unique demonstration of the community life of the 45 churches represented. So much planning and work had gone into the incredible variety of displays and activities. Knitting, afternoon tea, plant pot making, incense, lego, pancakes, vestments....an abundant witness to the creative Spirit of God working in us and through us. **THANK YOU** for taking part and I hope you enjoyed it all as much as I did.

It was such a delight to celebrate our faith together in a joyous Eucharist with young and old praising God and rejoicing in God's love revealed in our Saviour, Jesus Christ. The theme of hospitality was a thread running throughout the day, and another **THANK YOU** to the Cathedral, the Provost, staff and volunteers who welcomed us SO warmly. Over in the hall 25+ charities and organisations offered a wide range of ideas and resources to support us in our mission and inspire us to think differently, whilst 14 different workshops gave space for teaching, discussion and

reflection. **THANK YOU** to everyone involved in all these things and to the team and stewards who helped to make the day such a success.

**Praise God for the life and faith we celebrated together in such a
Glorious, Fantastic BIG DAY!**

Tuesday 22 May - Walking together as women in ministry

Fifty years to the day from the momentous General Assembly decision of 1968, Moderator designate Rev Susan Brown invites all women in ministry (along with friends, family, colleagues - all who want to affirm and celebrate equal ministry in the Church) to walk in procession together, up the Mound and into the quad at New College, to be welcomed there for a short time of recollection, commemoration and thanksgiving, before proceeding up the stairs and into the Assembly Hall, singing as we go. Those who are unable to walk up the hill are invited to gather and meet the procession outside the gate at Mound Place. There will be refreshments, exhibition banners and opportunity to chat, for those who are not commissioners or heading to the public gallery. This will be a simple, public and dignified procession to honour the pioneer women (and men who supported their call) who first walked this way - remembering also those who knocked but were not allowed to enter - and to celebrate the manifold gifts and service of women in ordained ministry over 50 years, 1968 - 2018.

All welcome - extend the invitation far and wide! Please indicate your interest by registering via this eventbrite link. You will then receive further updates and full details, including time of procession (likely to be 2 pm, but possibly before the morning session of Assembly that day).

Dementia: the Carer's Experience

A Day for Carers in East Lothian

By carers, for carers.

This is an event designed and organised by local people with experience of caring for someone with dementia. In their words: *'it offers time out and a chance to think about how we care for ourselves, as well as our loved ones'.*

It is for carers in East Lothian who care for someone with dementia or have experience of doing so in the past on an unpaid basis. It could be a partner, family member or a friend.

The programme has a twin focus and will include:

- **Key practical information.** To assist and support people caring for someone with dementia, enabling them to feel better equipped in their caring role and in looking after themselves too.
- **Managing Expectations - What About Me.** Carers, with experience of caring will talk about what it's been like for them to care for a loved one with dementia, sharing their insights and learning about what has helped them.

There will also be time for discussion and questions.

Tuesday 22 May 2018

There will be opportunities to discuss people's own experiences, questions, insights and reflections. Resource packs of ideas will be provided to take away.

The workshop will be **led by Dr Martha Pollard**, the Dementia Befriending and Carer Support Programmes Manager at the Eric Liddell Centre, a care charity in Edinburgh. Martha lives in the Scottish Borders and her home church is St Andrew's Episcopal Church, Kelso.
