## Loneliness Awareness Week: A new befriending service comes to Edinburgh

Edinburgh City Mission is launching an exciting new befriending service, to help people aged 65 and older who are facing loneliness, called Two's Company Befriending. It will be a 1 to 1 befriending scheme that is run in partnership with Linking Lives UK. Through Two's Company these organisations want to mobilise the faith community to step up and combat loneliness.

Many churches around Edinburgh host cafes or weekly gatherings to help their community create connection, and the value of these initiatives cannot be overstated. However, the challenge comes in reaching the most isolated in the community who are not already connected to the church. This is where Two's Company Befriending can play a part. Through Two's Company, Edinburgh City Mission plans to partner with churches all across the city and connect them with the lonely, isolated older

people directly in their communities. Volunteers will be able to do telephone befriending or in person home visiting once a week with one of these individuals and create hope and connection.

The volunteers and churches will be supported by Edinburgh City Mission who will provide the volunteer safeguarding and training, referral screening, and befriending match monitoring. Linking Lives UK will support this initiative by providing the framework and resources that they have developed from 20 years of setting up befriending schemes all across the UK. The hope is that through these partnerships and connections neighbourhood networks form in communities all across Edinburgh where individuals, health professionals, social welfare organisations, and churches work together to combat loneliness. In fact, Two's Company is launching in the Portobello community and is already seeing this first network start to form. Edinburgh City Mission hopes that this is just the start of what can happen all over the city.

Through Two's Company Befriending, Edinburgh City Mission and Linking Lives UK hope that the faith community in Edinburgh can be a leader in this effort and make a tremendous impact in the fight to end loneliness. To learn more about Two's Company Befriending or to get involved, please email **Julie Young**, Two's Company Project Coordinator, at [julie@edinburghcitymission.org.uk](mailto:julie@edinburghcitymission.org.uk)

This free event is an opportunity to explore Play Church and how to use it in your church, and to learn about our weekly Toddler Church: the thoughts behind it, what happens in a session, the practicalities of working with this age group, and a demonstration of the 'liturgy' we use at the end of each session. Get ready for some parachute games!

Post-pandemic, this is one way to grow your church from the bottom up!

**When:** Saturday 27th August, 2-4:30pm. Hot drinks and biscuits provided.

## **Need help with your church's energy efficiency?**

A programme funded by the Royal Academy of Engineering pairs volunteer engineers with small groups from community buildings to understand what changes they should make for their building's future

<https://heathack.org/>

Ramboll (big engineering/architecture consultancy) has a couple of engineers in Edinburgh that want to volunteer as part of their CSR programme. They're currently paired with a couple of secular buildings that have applied, but if any Edinburgh churches are interested, please get in contact.

One company's engineer is particularly interested in understanding the issue of ventilation versus energy efficiency in these buildings.

At the moment we are having difficulty recruiting volunteers to work in the Abbey Centre on Iona, this is due to unexpected withdrawals and a large number of people struggling to obtain the necessary Visas.

I wonder if you would be able to forward the information below to Churches in your diocese and ask them to “advertise” our vacancies in their Churches.

I hope that you are able to help us, and thank you for your assistance and support with this.

Kind Regards  
Karen Turner

## Volunteering Opportunity

# Assistance for Church treasurers

## Can you help?

A number of churches in the Diocese are finding it hard to recruit treasurers. The main reason seems to be a perceived lack of skills within the congregation to:

- carry out basic bookkeeping tasks,
- use time-saving computer programs like Excel, and
- prepare year-end accounts for filing with the charity regulator, OSCR.

Is there anyone out there with these skills who would be prepared to help a local treasurer by maintaining the church's books and records? Ideally this would be done using the Diocese's preferred accounting package, ExpensePlus\*, but an Excel-based option might be possible.

This could be a voluntary role, assisting just one congregation, or potentially a fee-based role dealing with a number of churches.

To discuss options, please contact the Diocesan Treasurer, Ian Lawson, on 07722 161691 or by email to [treasurer@dioceseofedinburgh.org](mailto:treasurer@dioceseofedinburgh.org).

\*ExpensePlus is a simple accounting package specially designed for churches that facilitates bookkeeping, reporting, donor records and gift aid claims. For more see [Church & Charity Accounting Software | ExpensePlus](#)
