Complete Anglican Hymns Old & New

St Matthew's Rosslyn Chapel have been gifted some new copies of Complete Anglican Hymns Old & New from Roslin Kirk and have a number (approx. 100) of old copies (slightly frayed at the edges) and I wondered if you might know of anyone who could use them?
Many thanks in advance for any help you can give to find them a new home.

Loneliness Awareness Week: A new befriending service comes to Edinburgh

Edinburgh City Mission is launching an exciting new befriending service, to help people aged 65 and older who are facing loneliness, called Two's Company Befriending. It will be a 1 to 1 befriending scheme that is run in partnership with Linking Lives UK. Through Two's Company these organisations want to mobilise the faith community to step up and combat loneliness.

Many churches around Edinburgh host cafes or weekly gatherings to help their community create connection, and the value of these initiatives cannot be overstated. However, the challenge comes in reaching the most isolated in the community who are not already connected to the church. This is where Two's Company Befriending can play a part. Through Two's Company, Edinburgh City Mission plans to partner with churches all across the city and connect them with the lonely, isolated older people directly in their communities. Volunteers will be able to do telephone befriending or in person home visiting once a week with one of these individuals and create hope and connection.

The volunteers and churches will be supported by Edinburgh City Mission who will provide the volunteer safeguarding and training, referral screening, and befriending match monitoring. Linking Lives UK will support this initiative by providing the framework and resources that they have developed from 20 years of setting up befriending schemes all across the UK. The hope is that through these partnerships and connections neighbourhood networks form in communities all across Edinburgh where individuals, health professionals, social welfare organisations, and churches work

together to combat loneliness. In fact, Two's Company is launching in the Portobello community and is already seeing this first network start to form. Edinburgh City Mission hopes that this is just the start of what can happen all over the city.

Through Two's Company Befriending, Edinburgh City Mission and Linking Lives UK hope that the faith community in Edinburgh can be a leader in this effort and make a tremendous impact in the fight to end loneliness. To learn more about Two's Company Befriending or to get involved, please email **Julie Young**, Two's Company Project Coordinator, at julie@edinburghcitymission.org.uk

Need help with your church's energy efficiency?

A programme funded by the Royal Academy of Engineering pairs volunteer engineers with small groups from community buildings to understand what changes they should make for their building's future

<https://heathack.org/>

Ramboll (big engineering/architecture consultancy) has a couple of engineers in Edinburgh that want to volunteer as part of their CSR programme. They're currently paired with a couple of secular buildings that have applied, but if any Edinburgh churches are interested, please get in contact.

One company's engineer is particularly interested in understanding the issue of ventilation versus energy efficiency in these buildings.

Army Cadet Force (ACF) Chaplaincy – are you called?

ACF Chaplaincy is a wonderful opportunity to work with youngsters aged between 12 and 17 and the Cadet Force Adult Volunteers (CFAV's) of all ages. The ACF is not a recruitment agency for the Army but is one of the biggest youth organisations in the UK.

You will receive basic training, be expected to wear a uniform and be allocated to a battalion (like a diocese). Your commitment is as big or small as you wish, but you are expected to attend annual camp each year.

I have been involved for nearly seven years and it is a huge privilege to journey with these youngsters. Each year I attend a two-week annual camp, in various parts of the country, to support folk of all faiths and none. In that time, I listen, I talk, I support, I have fun, I cry, I get exhausted! There are opportunities for you to participate in

whatever the cadets do, (water sports, rock climbing, orienteering etc. etc.) or you can just wander and sit, sharing Haribo (moralibo) – other sweets are available - to give a boost where needed. Numbers vary, but this year approximately 300 cadets and CFAV's attended at Altcar.

We were told at General Synod to “build relationships with youngsters”. This is a perfect opportunity to do so. Please get in touch if you would like to know more:

Revd Nicki McNelly, stcuthbertsrector@gmail.com or 07825 440580.

There are other opportunities available within the Royal Army Chaplains' Department (RACHD) and you can find more information at:

Assistance for Church treasurers

Can you help?

A number of churches in the Diocese are finding it hard to recruit treasurers. The main reason seems to be a perceived lack of skills within the congregation to:

- carry out basic bookkeeping tasks,
- use time-saving computer programs like Excel, and
- prepare year-end accounts for filing with the charity regulator, OSCR.

Is there anyone out there with these skills who would be prepared to help a local treasurer by maintaining the church's books and records? Ideally this would be done using the Diocese's preferred accounting package, ExpensePlus*, but an Excel-based option might be possible.

This could be a voluntary role, assisting just one congregation, or potentially a fee-based role dealing with a number of churches.

To discuss options, please contact the Diocesan Treasurer, Ian Lawson, on 07722 161691 or by email to treasurer@dioceseofedinburgh.org.

*ExpensePlus is a simple accounting package specially designed for churches that facilitates bookkeeping, reporting, donor records and gift aid claims. For more see [Church & Charity Accounting Software | ExpensePlus](#)

At the moment we are having difficulty recruiting volunteers to work in the Abbey Centre on Iona, this is due to unexpected withdrawals and a large number of people struggling to obtain the necessary Visas.

I wonder if you would be able to forward the information below to Churches in your diocese and ask them to “advertise” our vacancies in their Churches.

I hope that you are able to help us, and thank you for your assistance and support with this.
